## eco<sub>2</sub>matters®

We are committed to helping deliver a sustainable future, because we believe that what we do **matters**. To help us deliver on this commitment, we have developed **eco<sub>2</sub>matters®**, our sustainability principles, supported by independent 3rd party verification.

Made from 100% polypropylene recyclable fibre and our unique **BioBase® recycled** backing. The **entrance collection** is able to withstand heavy foot traffic as well as creating an effective barrier against dirt and wear.
