• CHESTER SQUARE •

Whether you are looking for the perfect floor for your home or commercial interior, our Chester Square luxury vinyl flooring collection offers a solution for all areas.

The two incredibly distinctive ranges have been designed to provide style and practicality that every home deserves. A fantastic, affordable alternative to real hardwood flooring, Chester Square has an embossed finish emulating the natural texture and grain of real wood. Practical too, thanks to a double coated protective top layer resulting in flooring that delivers on both design and performance.

This brochure will guide you through the Chester Square luxury vinyl tile (LVT) collection, helping to inform your design and selection process. From inspirational photography and designer floor layouts through to key maintenance information, we are with you every step of the way.

CREATE YOUR DREAM HOME

Our Chester Square flooring has been designed to perfectly suit your interior. A collection of 12 luxurious and eye-catching designs, available in classical and parquet styles

Classical planks offer a calm and spaciousness to any room. but equally hold their own in large spaces. Designed to impart a chic yet traditional look.

An age old laying method, herringbone patterns created with parquet are endless and gives your home a classic, luxurious look.

Our colours are inspired by nature and will create the perfect ambience to any room. Light colours will give your room a sense of openness. Brown colours will have a very natural and rustic feel, while timeless grey tones will keep your interior peaceful and cool.

- Quality assured by warranties.

WHY CHESTER SQUARE?

There's nothing more inviting than a beautiful floor. Sophisticated and elegant, yet made to withstand the rigours of real life. Created for busy lifestyles, easy flooring, easy cleaning.

Water Resistant

For rooms that are subject to moisture and splashes, water-resistance is assured. Perfect for kitchens and bathrooms. Cleaning has never been so easy.

Scratch & Stain Resistant

Thanks to its unique double pu top layer, it gives your floor lasting protection against wear and tear from falling objects, furniture marks, high heels, and more.

Warranty

Our Chester Square flooring comes with a 15 year residential warranty. Durability for many years guaranteed.

Underfloor Heating

Chester Square LVT and underfloor heating go perfectly together.

Comfortable underfoot

Cosy, natural, warm and comfortable underfoot.

Sound reducing

Silent too, LVT has great sound absorbing qualities making it one of the quietest flooring around.

Plank weave – full planks
with square cut pieces
running at 90°.

Herringbone design with
full length planks.

Herringbone design
(typically third length planks).

Straight laid plank with
tramline strip perimeter.

FLOORCARE

Taking care of your new floor couldn't be easier.
Simply follow these guidelines to keep it looking new for longer.

- ✓ Your new flooring is ready to be used and doesn't need any special surface treatment.
- ✓ Remove any debris or grit regularly using a brush or vacuum cleaner.
- ✓ Clean your floor with warm water and a vinyl floor cleaning detergent using a microfibre floor mop.
- ✓ Wipe the floor with a dry cloth until no moisture is visible on the floor.
- ✓ Use entrance mats at doorways to prevent debris and dirt coming into contact with your floor.
- ✓ Use felt pad on furniture legs to protect your floor.
- ✓ Keep pets claws trimmed to avoid fine scratches.
